Education

MA Criminology & Criminal Justice

August 2024 – May 2026

University of Nebraska at Omaha

Graduate Assistant, School of Criminology & Criminal Justice

Researcher in [Violence Intervention & Policing Research \(VIPR\) Lab](#)

BS Criminal Justice, Honors

May 2024

Wichita State University

Minors: political science, philosophy

Research Interests

Policing, procedural justice, criminal and police organization, quantitative methods

Research Experience

University of Nebraska Omaha

August 2024 – May 2026

Graduate Research Assistant

- Working in the Violence Intervention and Policing Research (VIPR) Lab under supervision of Dr. Justin Nix
 - Created lethal and nonlethal police shooting database comparing original police reports to the Gun Violence Archive and the Systematic Policing Oversight Through Lethal-force Incident Tracking Environment (SPOTLITE)
 - Created appendix for study on Omaha Police Department switching from 12- to 10-hour shifts in their gang unit
 - Formed Project Safe Neighborhoods Omaha longitudinal report (2025)
 - Working on two traffic stop data analysis projects:
 - One with the Nebraska Department of Transportation (NDOT) analyzing traffic stops made on Nebraska highways
 - Another analyzing traffic stops in Lincoln, Nebraska, before and after the Lincoln Police Department traffic unit was largely disbanded in 2021
 - Project Safe Neighborhoods (PSN), Omaha, 2025 data construction, analysis, and report writing
 - Continued maintenance and updating of the VIPR Lab website

University of South Carolina

Summer 2023

Undergraduate Researcher

- Took part in [National Science Foundation \(NSF\) funded Research Experience for Undergraduates](#) focusing on disparities in the criminal justice system
- Learned how to use Stata, comprehensive research and writing skills, and much more
- Presented research at symposium, article produced currently under R&R

- Worked closely with other undergraduate students, graduate students, and faculty

Wichita State University

December 2022 - May 2023

Undergraduate Researcher

- Worked as an undergraduate research assistant under supervision of Dr. Michael Birzer
- Randomized control trial that studied differential police response strategies to low risk and non-harm calls in Wichita
- Aided in fielding surveys to respondents and data collection
- Study showed success, now a fully implemented police differential response facility in Wichita
